

Prince Albert Fund

Helping young talented Belgian professionals acquire experience in conducting international projects

A few questions about you

1. Please fill in your name (first name and last name) *

2. What are the two accomplishments you are most proud of? Please describe the context, the actions you took and the result? *

max 1500 characters (with spaces)

3. Tell us about a significant setback you experienced. How did you deal with it? What did you learn from this (be specific)? Knowing what you know today, would you have done anything differently? *

max 1500 characters (with spaces)

4. Describe a team success where you were part of the team. If we would ask your team mates to name the two things they most appreciated about your contribution to the team, what would they say? What would you personally try to do better next time, if anything? *

max 1500 characters (with spaces)

A few questions about your project

5. Describe the main characteristics of a potential Prince Albert Fund project that would excite you most, e.g. in terms of type of responsibility, challenge, sector, company, geography, etc. *

max 1500 characters (with spaces)

6. Imagine we are two years down the road, and you're extremely satisfied with the Prince Albert Fund project you just completed. What specific personal and professional progress have you made? Which new doors have opened? *

max 1500 characters (with spaces)

7. Have you applied for the Prince Albert Fund before? If so, were you invited for the interviews? What will you do if you don't get the Prince Albert Fund grant? *

max 1000 characters (with spaces)

8. Is there any other information you believe the Prince Albert Fund Jury should know about you and your application to the Prince Albert Fund program?

max 500 characters (with spaces)
